H.R.1268

Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Tsunami Relief, 2005 (Enrolled as Agreed to or Passed by Both House and Senate)

TITLE II--IMPROVED SECURITY FOR DRIVERS' LICENSES AND PERSONAL IDENTIFICATION CARDS

SEC. 201. DEFINITIONS.

In this title, the following definitions apply:

- (1) DRIVER'S LICENSE- The term `driver's license' means a motor vehicle operator's license, as defined in section 30301 of title 49, United States Code.
- (2) IDENTIFICATION CARD- The term `identification card' means a personal identification card, as defined in section 1028(d) of title 18, United States Code, issued by a State.
- (3) OFFICIAL PURPOSE- The term `official purpose' includes but is not limited to accessing Federal facilities, boarding federally regulated commercial aircraft, entering nuclear power plants, and any other purposes that the Secretary shall determine.
- (4) SECRETARY- The term `Secretary' means the Secretary of Homeland Security.
- (5) STATE- The term `State' means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, the Northern Mariana Islands, the Trust Territory of the Pacific Islands, and any other territory or possession of the United States.

SEC. 202. MINIMUM DOCUMENT REQUIREMENTS AND ISSUANCE STANDARDS FOR FEDERAL RECOGNITION.

(a) Minimum Standards for Federal Use-

(1) IN GENERAL- Beginning 3 years after the date of the enactment of this division, a Federal agency may not accept, for any official purpose, a driver's license or identification card issued by a State to any person unless the State is meeting the requirements of this section.

(2) STATE CERTIFICATIONS- The Secretary shall determine whether a State is meeting the requirements of this section based on certifications made by the State to the Secretary. Such certifications shall be made at such times and in such manner as the Secretary, in consultation with the Secretary of Transportation, may prescribe by regulation.

(b) Minimum Document Requirements- To meet the requirements of this section, a State shall include, at a minimum, the following information and features on each driver's license and identification card issued to a person by the State:

(1) The person's full legal name.

(2) The person's date of birth.

(3) The person's gender.

(4) The person's driver's license or identification card number.

(5) A digital photograph of the person.

(6) The person's address of principle residence.

(7) The person's signature.

(8) Physical security features designed to prevent tampering, counterfeiting, or duplication of the document for fraudulent purposes.

(9) A common machine-readable technology, with defined minimum data elements.

(c) Minimum Issuance Standards-

(1) IN GENERAL- To meet the requirements of this section, a State shall require, at a minimum, presentation and verification of the following information before issuing a driver's license or identification card to a person:

(A) A photo identity document, except that a non-photo identity document is acceptable if it includes both the person's full legal name and date of birth.

(B) Documentation showing the person's date of birth.

(C) Proof of the person's social security account number or verification

that the person is not eligible for a social security account number.

(D) Documentation showing the person's name and address of principal residence.

(2) SPECIAL REQUIREMENTS-

(A) IN GENERAL- To meet the requirements of this section, a State shall comply with the minimum standards of this paragraph.

(B) EVIDENCE OF LAWFUL STATUS- A State shall require, before issuing a driver's license or identification card to a person, valid documentary evidence that the person--

(i) is a citizen or national of the United States;

(ii) is an alien lawfully admitted for permanent or temporary residence in the United States;

(iii) has conditional permanent resident status in the United States;

(iv) has an approved application for asylum in the United States or has entered into the United States in refugee status;

(v) has a valid, unexpired nonimmigrant visa or nonimmigrant visa status for entry into the United States;

(vi) has a pending application for asylum in the United States;

(vii) has a pending or approved application for temporary protected status in the United States;

(viii) has approved deferred action status; or

(ix) has a pending application for adjustment of status to that of an alien lawfully admitted for permanent residence in the United States or conditional permanent resident status in the United States.

(C) TEMPORARY DRIVERS' LICENSES AND IDENTIFICATION CARDS-

(i) IN GENERAL- If a person presents evidence under any of clauses (v) through (ix) of subparagraph (B), the State may only issue a temporary driver's license or temporary identification card to the person.

(ii) EXPIRATION DATE- A temporary driver's license or temporary identification card issued pursuant to this subparagraph shall be valid only during the period of time of the applicant's authorized stay in the United States or, if there is no definite end to the period

of authorized stay, a period of one year.

(iii) DISPLAY OF EXPIRATION DATE- A temporary driver's license or temporary identification card issued pursuant to this subparagraph shall clearly indicate that it is temporary and shall state the date on which it expires.

(iv) RENEWAL- A temporary driver's license or temporary identification card issued pursuant to this subparagraph may be renewed only upon presentation of valid documentary evidence that the status by which the applicant qualified for the temporary driver's license or temporary identification card has been extended by the Secretary of Homeland Security.

(3) VERIFICATION OF DOCUMENTS- To meet the requirements of this section, a State shall implement the following procedures:

(A) Before issuing a driver's license or identification card to a person, the State shall verify, with the issuing agency, the issuance, validity, and completeness of each document required to be presented by the person under paragraph (1) or (2).

(B) The State shall not accept any foreign document, other than an official passport, to satisfy a requirement of paragraph (1) or (2).

(C) Not later than September 11, 2005, the State shall enter into a memorandum of understanding with the Secretary of Homeland Security to routinely utilize the automated system known as Systematic Alien Verification for Entitlements, as provided for by section 404 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (110 Stat. 3009-664), to verify the legal presence status of a person, other than a United States citizen, applying for a driver's license or identification card.

(d) Other Requirements- To meet the requirements of this section, a State shall adopt the following practices in the issuance of drivers' licenses and identification cards:

(1) Employ technology to capture digital images of identity source documents so that the images can be retained in electronic storage in a transferable format.

(2) Retain paper copies of source documents for a minimum of 7 years or images of source documents presented for a minimum of 10 years.

(3) Subject each person applying for a driver's license or identification card to mandatory facial image capture.

(4) Establish an effective procedure to confirm or verify a renewing applicant's information.

- (5) Confirm with the Social Security Administration a social security account number presented by a person using the full social security account number. In the event that a social security account number is already registered to or associated with another person to which any State has issued a driver's license or identification card, the State shall resolve the discrepancy and take appropriate action.
- (6) Refuse to issue a driver's license or identification card to a person holding a driver's license issued by another State without confirmation that the person is terminating or has terminated the driver's license.
- (7) Ensure the physical security of locations where drivers' licenses and identification cards are produced and the security of document materials and papers from which drivers' licenses and identification cards are produced.
- (8) Subject all persons authorized to manufacture or produce drivers' licenses and identification cards to appropriate security clearance requirements.
- (9) Establish fraudulent document recognition training programs for appropriate employees engaged in the issuance of drivers' licenses and identification cards.
- (10) Limit the period of validity of all driver's licenses and identification cards that are not temporary to a period that does not exceed 8 years.
- (11) In any case in which the State issues a driver's license or identification card that does not satisfy the requirements of this section, ensure that such license or identification card--
- (A) clearly states on its face that it may not be accepted by any Federal agency for federal identification or any other official purpose; and
 - (B) uses a unique design or color indicator to alert Federal agency and other law enforcement personnel that it may not be accepted for any such purpose.
- (12) Provide electronic access to all other States to information contained in the motor vehicle database of the State.
- (13) Maintain a State motor vehicle database that contains, at a minimum--
- (A) all data fields printed on drivers' licenses and identification cards issued by the State; and
 - (B) motor vehicle drivers' histories, including motor vehicle violations, suspensions, and points on licenses.

SEC. 203. TRAFFICKING IN AUTHENTICATION FEATURES FOR USE IN FALSE IDENTIFICATION DOCUMENTS.

(a) Criminal Penalty- Section 1028(a)(8) of title 18, United States Code, is amended by striking `false authentication features' and inserting `false or actual authentication features'.

(b) Use of False Driver's License at Airports-

(1) IN GENERAL- The Secretary shall enter, into the appropriate aviation security screening database, appropriate information regarding any person convicted of using a false driver's license at an airport (as such term is defined in section 40102 of title 49, United States Code).

(2) FALSE DEFINED- In this subsection, the term `false' has the same meaning such term has under section 1028(d) of title 18, United States Code.

SEC. 204. GRANTS TO STATES.

(a) In General- The Secretary may make grants to a State to assist the State in conforming to the minimum standards set forth in this title.

(b) Authorization of Appropriations- There are authorized to be appropriated to the Secretary for each of the fiscal years 2005 through 2009 such sums as may be necessary to carry out this title.

SEC. 205. AUTHORITY.

(a) Participation of Secretary of Transportation and States- All authority to issue regulations, set standards, and issue grants under this title shall be carried out by the Secretary, in consultation with the Secretary of Transportation and the States.

(b) Extensions of Deadlines- The Secretary may grant to a State an extension of time to meet the requirements of section 202(a)(1) if the State provides adequate justification for noncompliance.

SEC. 206. REPEAL.

Section 7212 of the Intelligence Reform and Terrorism Prevention Act of 2004 (Public Law 108-458) is repealed.

SEC. 207. LIMITATION ON STATUTORY CONSTRUCTION.

Nothing in this title shall be construed to affect the authorities or responsibilities of the Secretary of Transportation or the States under chapter 303 of title 49, United States Code.

TITLE III--BORDER INFRASTRUCTURE AND TECHNOLOGY INTEGRATION

SEC. 301. VULNERABILITY AND THREAT ASSESSMENT.

(a) Study- The Under Secretary of Homeland Security for Border and

Transportation Security, in consultation with the Under Secretary of Homeland Security for Science and Technology and the Under Secretary of Homeland Security for Information Analysis and Infrastructure Protection, shall study the technology, equipment, and personnel needed to address security vulnerabilities within the United States for each field office of the Bureau of Customs and Border Protection that has responsibility for any portion of the United States borders with Canada and Mexico. The Under Secretary shall conduct follow-up studies at least once every 5 years.

(b) Report to Congress- The Under Secretary shall submit a report to Congress on the Under Secretary's findings and conclusions from each study conducted under subsection (a) together with legislative recommendations, as appropriate, for addressing any security vulnerabilities found by the study.

(c) Authorization of Appropriations- There are authorized to be appropriated to the Department of Homeland Security Directorate of Border and Transportation Security such sums as may be necessary for fiscal years 2006 through 2011 to carry out any such recommendations from the first study conducted under subsection (a).

SEC. 302. USE OF GROUND SURVEILLANCE TECHNOLOGIES FOR BORDER SECURITY.

(a) Pilot Program- Not later than 180 days after the date of the enactment of this division, the Under Secretary of Homeland Security for Science and Technology, in consultation with the Under Secretary of Homeland Security for Border and Transportation Security, the Under Secretary of Homeland Security for Information Analysis and Infrastructure Protection, and the Secretary of Defense, shall develop a pilot program to utilize, or increase the utilization of, ground surveillance technologies to enhance the border security of the United States. In developing the program, the Under Secretary shall--

- (1) consider various current and proposed ground surveillance technologies that could be utilized to enhance the border security of the United States;
- (2) assess the threats to the border security of the United States that could be addressed by the utilization of such technologies; and
- (3) assess the feasibility and advisability of utilizing such technologies to address such threats, including an assessment of the technologies considered best suited to address such threats.

(b) Additional Requirements-

- (1) IN GENERAL- The pilot program shall include the utilization of a variety of ground surveillance technologies in a variety of topographies and areas (including both populated and unpopulated areas) on both the northern and southern borders of the United States in order to evaluate, for a range of circumstances--

(A) the significance of previous experiences with such technologies in homeland security or critical infrastructure protection for the utilization of such technologies for border security;

(B) the cost, utility, and effectiveness of such technologies for border security; and

(C) liability, safety, and privacy concerns relating to the utilization of such technologies for border security.

(2) TECHNOLOGIES- The ground surveillance technologies utilized in the pilot program shall include the following:

(A) Video camera technology.

(B) Sensor technology.

(C) Motion detection technology.

(c) Implementation- The Under Secretary of Homeland Security for Border and Transportation Security shall implement the pilot program developed under this section.

(d) Report- Not later than 1 year after implementing the pilot program under subsection (a), the Under Secretary shall submit a report on the program to the Senate Committee on Commerce, Science, and Transportation, the House of Representatives Committee on Science, the House of Representatives Committee on Homeland Security, and the House of Representatives Committee on the Judiciary. The Under Secretary shall include in the report a description of the program together with such recommendations as the Under Secretary finds appropriate, including recommendations for terminating the program, making the program permanent, or enhancing the program.

SEC. 303. ENHANCEMENT OF COMMUNICATIONS INTEGRATION AND INFORMATION SHARING ON BORDER SECURITY.

(a) In General- Not later than 180 days after the date of the enactment of this division, the Secretary of Homeland Security, acting through the Under Secretary of Homeland Security for Border and Transportation Security, in consultation with the Under Secretary of Homeland Security for Science and Technology, the Under Secretary of Homeland Security for Information Analysis and Infrastructure Protection, the Assistant Secretary of Commerce for Communications and Information, and other appropriate Federal, State, local, and tribal agencies, shall develop and implement a plan--

(1) to improve the communications systems of the departments and agencies of the Federal Government in order to facilitate the integration of communications among the departments and agencies of the Federal Government and State, local government agencies, and Indian tribal agencies on matters relating to border security; and

(2) to enhance information sharing among the departments and agencies of the Federal Government, State and local government agencies, and Indian tribal agencies on such matters.

(b) Report- Not later than 1 year after implementing the plan under subsection (a), the Secretary shall submit a copy of the plan and a report on the plan, including any recommendations the Secretary finds appropriate, to the Senate Committee on Commerce, Science, and Transportation, the House of Representatives Committee on Science, the House of Representatives Committee on Homeland Security, and the House of Representatives Committee on the Judiciary.
